Beth Martino	250	3173		x	x	x		Extreme Enthusiasm! She is truly excited about safety and provided us with a battery spill kit
Wolverines (Team)		1757		x				They helped us glue our robot.
Roger Heiring	2262	2593		x				Lent us a wire we needed to pass inspection.
Richard Eisenberg	1884	2593		x				We were given a master link.
John Stewart	88	2713	x	x	x		x	We needed 1/4-20 bolts in order to substitute one type of angle bracket for lighter weight ones in order to get under 120#. John not only supplied bolts, but came over and actively participated in the substitution - all the while encouraging our students!
Ernie DiCocco & Dave Bodmer	11	155		x				He helped our team greatly by being a great pit pal. He provided us with all the spare parts we needed.
Bill Ferald	157	155	x					With his team, Bill showed everyone a lot of respect and also helped us a lot in the pits.
Ethan Heller	1761	69		x	x			Extremely pleasant attitude doing a tough job (team queuing).
Paige	2877	3148	x	x	x		x	My team really wanted pins. Sadly we did not have money for them. Paige volunteered to not only design but also make my team pins. We were really happy.
Angry Eric (Eckhardt)	Volunteer	155		x				On Thursday, he came over and helped our team fix our fried jaguars.
Michael Hartman	1511	155			x	x		He was an extreme safety captain who demonstrated safety with LOTS of enthusiasm!
Anna Ho	1884	155					x	She organized and led our alliance while showing everyone respect.
Tom Ryan	1403	1403	x	x	x		x	Our member and drive-team coach, his spirit and attitude keeps our pit team excited and on task.
Bill McCarthy	Bus Driver	1403		x				Our bus driver is a large asset for our team, he is always ready to take the team at any time. He is very supportive of Team 1403 and his hard work merits recognition.
