

STUDENT Contract

I agree that I understand the information presented in the Team Handbook, and that I understand what I need to achieve in order to have full payment of my trips. I know that I will have to place a reserving deposit, but if I fulfill all of the team achievements, the team funding will cover the rest of my travel costs.

I understand that I must act responsibly and respectfully at all times, and that schoolwork comes before team work. I must maintain my grades as required by the school in order to participate in team activities.

Parents/Guardians

I understand that my student has chosen to be an active part of this team, and that while any level of participation is encouraged, that my student must meet the team achievements in order to have team funding for his/her travel.

I also understand that I am part of those achievements. I agree to attend an information session, pre-travel meetings, one team event during the year, and one local competition event. I also agree to provide a meal during build season.

I understand that parents can be a vital part of the team, and are a big help in getting many of the team activities accomplished. I will do my best to support my student and the team in this endeavor.
